

# Leading the way to success

We would like to invite primary school pupils and their families to get to know The Crest Academy by joining us at one of our Open Days this autumn. We have a number of exciting events planned where you can tour our new state-of-the-art facilities and find out why our students love studying here. Come and find out for yourself about the many exciting changes taking place at The Crest Academy and why your child's time with us will be happy and filled with many successes.

# Getting to know you

As Head of Year 7 I know that moving from primary school to secondary school is a very important step for a child. Our aim is to make this move as easy as possible by building long standing relationships with families.

Our Open Day events will have something for everyone to enjoy. Your child will be able to try out a range of different subjects and meet our wonderful student leadership team and talented members of staff.

I look forward to meeting you and welcoming you to The Crest Academy very soon.

# Why our students love The Crest Academy

"What I love most is the fact that every day, inspiring teachers motivate us students to learn and achieve. The transition from primary to secondary can be tough because you become the youngest of the school, but the encouraging teachers helped us through it."

**Shukrana, Year 7**

"I chose Crest Academy because the teachers create fun things for you to do in lessons and I like the facilities and rewards, like achievement points."

**Levi, Year 7**

"At first I was really nervous about going to secondary school but the teachers really helped me overcome my shyness, I know they will help me with anything I need support with."

**Joseph, Year 7**

"I like the massive playground the most – you can play everywhere!"

**Yacob, Year 7**

"Friendship days really helped me to move from Year 6 to Year 7 because I learnt what to expect and made lots of new friends."

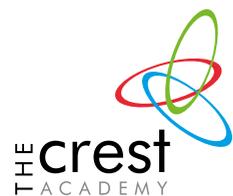

**Giovanni Year 7**
